**RE: Phase I Environmental Site Assessment
Triple A Storage
1518/1540 7th Avenue North, Payette, Idaho**

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property at 1518/1540 7th Avenue North in Payette, Idaho (see attached aerial map). The site is the location of Triple A Storage, a storage rental business. The Site owners are Mr. William and Mrs. Cheryl Leggett.

An aerial map with the site location indicated is attached for your assistance. The Site contains two addresses 1518 and 1540 7th Avenue North in Payette, Idaho, that are connected as part of the storage business. If you have any questions about the site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to September 19, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.

Mike Larango, CES
Field Supervisor
